RE: Meeting with Senator Deb Fischer (R-Nebraska)

PURPOSE: You are scheduled to meet with Senator Deb Fischer at 2:00PM. This meeting is to discuss RFS and other issues related to Nebraska.

Note: Senator Fischer reached out with concern about Administrator's comments to a group of farm broadcasters in April that he was looking into providing a year-round RVP waiver for E15. It's their understanding, after conversations with folks in the Administrator's office that under Section 211(f)(4) of the CAA, this was not possible.

BIOGRAPHY: Before her election to the U.S. Senate, Fischer served in the Nebraska Unicameral, since 2004. In addition to the Armed Services and Commerce Committees, Senator Fischer sits on the Committee on Environment and Public Works and the Special Committee on Aging. As a leader in the charge against regulatory overreach by the federal government, she focuses on misguided rules issued by federal agencies that hurt middle-class families. She is also in a strong position to fight for the interests of Nebraska's seniors. Senator Fischer was elected in 2012.
